

Watters Road Church of Christ Adult Education Program

Winter Term December 4, 2011 – February 29, 2012

Sunday 9:00- 9:45 AM

Annex A “Jeremiah: Ask Where the Good Way Is and Walk It”

Barry Day

How God spoke through Jeremiah to turn His people back to Him and to a righteous, blessed life.

Auditorium “1 & 2 Thessalonians”

John Nash, Dan Parker and Kevin Watson

Generally accepted as the first letters written by Paul for the New Testament, the two letters to the Thessalonian church indicate some early doctrinal misunderstandings. Paul could not be everywhere at one time, but under the direction of the Holy Spirit, he could provide the guidance and the teaching essential to set aside false teaching and practices.

Annex B Rooms 4-5 (Homebuilders) “The Joy of Salvation – Re-Invigorating Our Walk with the Lord”

We all face time of disillusionment and weariness, and can lack feelings of fulfillment in our life with Christ. While none of us is immune, God has provided ways of refreshing our commitment to Him and enjoying the blessing of our salvation.

Annex B Room 12 (College and Young Adults) “1 & 2 Timothy”

Cliff Thompson

A textual study of these 2 Pauline Epistles in relation to the young man Timothy. Timothy is an example of how young adults can have the mindset of Christ—a mind focused on obedience and service, be sincere in their care for others and have a “proven character” to carry on the Lord’s work.

Annex B Room 9 (Junior High) “Where Do We Stand in Our Walk?”

Mark Waltenbaugh

We will be looking at the life of Saul/Paul and the boldness that he had delivering the Gospel.

Annex B Room 10 (Senior High) “Identity Theft”

God wants us to be identified as His children. Satan is constantly trying to lie and destroy the true identity that God has given us. We will be looking at different people throughout the Bible who God identified as His Children and how Satan tried to destroy their lives with his lies.
